

Integrated Policy

The management of IQ PRODUCT s.r.o. is committed to meeting the requirements of ISO 9001:2015 and ISO 14001:2015, implementing, maintaining, and continuously improving the efficiency of the Integrated Management System (IMS) in:

- *The production and sale of self-adhesive and non-self-adhesive labels.*

The integrated management policy is regularly reviewed, and its principles are:

- ✓ Continuously meeting the requirements of all customers. The company ensures a consistent level of product quality to fulfill the needs of stakeholders in accordance with applicable technical and legislative standards.
- ✓ Applying the latest trends to achieve high-quality processes and products. Seeking opportunities to enhance and improve services.
- ✓ The entire company is committed to meeting mandatory environmental protection requirements and all other obligations applicable to the company. A permanent goal is the continuous improvement of the integrated management system, which is an integral part of the company's high-level corporate culture and image.
- ✓ Creating working conditions that prevent defective production, environmental risks, and negative impacts on human health in the workplace. Ensuring continuous employee qualification, education, and awareness improvement.
- ✓ The company operates a system with respect to environmental protection—conserving natural resources. Through thorough prevention, it avoids accidents and situations that could negatively impact the environment, employee health, and stakeholders. It assesses risk levels and seeks opportunities to improve the environmental behavior of its activities and services.
- ✓ To fulfill the IMS Policy, the company maintains strong partnerships with its suppliers.
- ✓ The established IMS Policy is binding for all internal and external employees of the company, who are required to adhere to these principles. The person responsible for IMS is entrusted with monitoring compliance with this policy.
- ✓ The IMS Policy takes effect on the date of signing.
